Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 21 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers clear on Saturday. A drier day Sunday.

This Evening and Tonight:
Any remaining heavy and thundery daytime showers will clear moving eastwards through the evening and early hours. A dry night then follows with variable cloud and some clear spells. Feeling muggy. Minimum temperature 14 deg C (57 deg F).

Sunday:
A much drier day than Saturday, with the odd light shower in the morning. These clear into the afternoon, leaving plenty of sunny spells. Feeling warm in the sunshine. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
A settled spell of weather to start the new week. Mainly dry with sunny spells, but the chance of an isolated light shower at first. Turning warmer.
